Fall 2017

September 5, 2017 - November 4, 2017

The First Tee was created in 1997 to introduce young people of all backgrounds to the game of golf and the life lessons it teaches. Through The First Tee Life Skills Experience, a curriculum for teaching character education through specific life skills, children and teenagers around the world discover how the skills essential to success on the golf course can help them flourish in life. These skills include self-management, interpersonal communication, goal-setting, mentoring and effective conflict resolution. The Life Skills Experience sets The First Tee apart from other junior golf programs and youth initiatives, and ultimately hopes to instill in participants The First Tee Nine Core Values: Honesty, Integrity, Sportsmanship, Respect, Confidence, Responsibility, Perseverance, Courtesy and Judgment.

The First Tee Coaching Philosophy is based on promoting positive youth development through participation in fun, golf related activities. We pay attention to the learning process, not just the outcome, and make our programs person-centered rather than purely golf skill focused. Our focus is on long-term growth as a person, rather than grooming young people to be professional golfers.

Click "Register" to continue to online registration. If you need a paper registration form, please email Lisa@TheFirstTeeCenter.org or call 1-800-875-1317.

In event that such medical attention is needed from a healthcare provider, all costs shall be the responsibility of the parent or guardian.
